

Important Notice – Please Read Stanford Achievement Test Series, Tenth Addition® (SAT 10)

Dear Stanford 10 Customer:

Thank you for your loyalty and continued use of the Stanford Achievement Test, 10th edition (Stanford 10).

This letter is a reminder following a letter that we sent in 2016 to let you know that **Pearson will continue to support the Stanford 10**, including paper and online administration, as well as scanning, scoring, and reporting services, for the next several years.

You can continue to purchase and administer Stanford 10 with confidence. Additionally, we are working to update and streamline the customer workflow, so beginning in January, 2018, we will implement updates to the way you place orders, submit test papers for scoring, and/or request reporting services. These updates will also include a new set of norms that will be available in 2018. We will keep you posted on these improvements in the coming months.

As always, we value our relationship with you and appreciate that you select Pearson to satisfy your assessment needs. If you have any questions, please go to our website for more information, and to sign up for additional updates: <http://www.pearsonclassroomassessments.com/c/sat10>

Please don't hesitate to contact your Sales representative or Customer Support at 800-328-5999.
