

## Application for Research Discount

Research discounts are given for publishable studies. These include professional research projects, master's theses, doctoral dissertations, or institute research. Discounts are not given for class projects or for materials distributed but not published by Pearson. Also, please **note that you must agree to share the results of the research study with Pearson**, and Pearson may disseminate the findings, with appropriate citation, to customers or others interested in such information.

Please read **Application Procedure for Research Discount** before completing this form.
