

Welcome to aimswebPlus!

We're excited to help you explore the new measures, reports, and technology of this innovative and comprehensive screening and progress monitoring tool. This webinar series is designed to provide you with the information and support you need to explore the power of aimswebPlus.

(Pre-recorded webinar)

aimswebPlus Pilot: What you need to know to get started

Participants: Account Managers and IT Staff

[View the recording](#)

The classic AIMSweb 1.0 is going to be retired on July 31, 2019, and you've been invited to conduct a pilot with aimswebPlus through the remainder of this school year. This brief 8 minute video will familiarize you with the technology requirements, materials needed, and local network considerations. It will also prepare you to have a successful experience with your aimswebPlus pilot, giving you a great start to the upcoming school year.

aimswebPlus Pilot: Kick-off and essential account setup

Participants: Account Managers and IT Staff

Presenters: Julie Godfrey, Bianca Redd, Oscar Maldonado, and Heather Hauge

[View the recording](#)

During this one-hour webinar you will learn about aimswebPlus and what it has to offer within your assessment processes. You will learn the rostering process, understand the general setup options for your new account, and how to prepare for testing students in your pilot program. Additional topics include manager navigation, updating passwords, user setup, and locating help and support resources. Time will be allotted for Q&A at the end.

aimswebPlus Pilot: Getting started with benchmark screening

Participants: Administrators, aimswebPlus Managers, Teachers, Examiners

Presenters: Heather Hauge and Bianca Redd

[View the recording](#)

This one-hour webinar will provide you with a tour of the aimswebPlus platform and direct you to the areas where you will complete benchmark screening. You will learn about the material and technology requirements for testing. You will also learn how to complete an assessment battery using Digital Record Forms (PreK-1 measures and ORF) as well as a battery using TestNav (Grades 2 and up). Time will be allotted for Q&A at the end.

Pearson

aimswebPlus Pilot: Benchmark screening reports

Participants: Administrators, RTI/MTSS Staff, Teachers

Presenters: Heather Haugse and Bianca Redd

[View the recording](#)

During this one-hour webinar you will learn about the key aimswebPlus reports and the uses for each, including details on the data and interpretation of each report. You will also learn how to generate, download, and print batches of individual reports.

aimswebPlus Pilot: Progress monitoring

Participants: Administrators, RTI/MTSS Staff, Teachers

Presenters: Heather Haugse and Bianca Redd

[View the recording](#)

During this one-hour webinar you will learn the basics of identifying students in need of intervention. You will see the ease of how to set a goal in aimswebPlus as well as how to collect ongoing data. See what a time saver our new goal-setting system can be! You will also learn about the reports that are associated with progress monitoring and how these will help you with making data-based decisions for students.

aimswebPlus Pilot: Thursday "Office Hours"

We have reserved 30 minutes every Thursday for Q&A with our aimswebPlus experts. Join us to ask questions and learn with your peers!
